Sierra County Cancer Assistance, Inc. (SCCA) is having a Fund Raising Walk to honor survivors, caregivers, and those we have lost to Cancer.

The date of the annual walk will be Saturday, October 5th, from 9am to 1pm at Ralph Edwards Park. We will also be honoring **Jane Cain** for her incredible dedication and contributions to SCCA. There will be vendors, food, music, and celebration of life. The walk this year will be either around the park, which will be approximately 1 mile per lap, or you will have the option to walk downtown, (a little over a mile), visit the participating shops, and pick up a playing card, at about 20 of the stores. The highest 4 of a kind will be a winner. You will still pick up an additional purple shoe lace for your walking stick every time you walk your mile around town or the park. We want to promote SCCA, as well as the support we are getting from our local businesses. There will be a \$5.00 donation to participate.

Our goal is to raise funds which will remain within Sierra County to provide at no cost to the cancer survivor, transportation to and from Las Cruces, Albuquerque, and Silver City, for those in need.

We hope you will walk for a friend, or family member and can collect pledges for your efforts. Typically friends and co-workers will donate something for you to walk. The forms for this are available from any of the SCCA volunteers.

Please contact Steph Ross for additional information 575-740-3971 or email srfoxie@gmail.com. You can now also make donations on our website at www.sierracountycancerassistance.org.
