August 13, 2014

Sierra County Cancer Assistance, Inc. (SCCA) a 501 (C) 3 organization, is dedicated to helping those in Sierra County with transportation and information regarding cancer treatments.

This year our Annual Walk in the Park will be held Saturday, **October 4th, 2014** from 9am to 1pm at Ralph Edwards Park. This year, we are again planning on walking through downtown Truth or Consequences, visiting participating business's and collecting items to proudly display our community support. We totally rely on private donations, and fund raisers to keep us going. The price of gas has made it more urgent than ever to have a successful walk and a great fund raising year. All the money we receive stays within Sierra County, and is used exclusively for driving patients, supplies, and advertising. In the last five years we have driven a total of 270,000 miles and made over 1,600 trips. We have been able to help 76 patients to date and have approximately 20 volunteer drivers. Many of our drivers are spouses, or family members.

I hope you will consider being a sponsor for this year's walk. We currently are driving patients to Las Cruces, Albuquerque, and Silver City for chemo treatments, doctor follow-ups, and radiation treatments. We have such incredible volunteers that are dedicated to helping our community with this great project of caring, sharing and giving back to Sierra County. One again I wish to stress that all money received by SCCA, remains within the County.

The sponsorship levels are as follows:

SPONSORSHIP

Platinum:	\$1,000.00
Gold:	\$ 500.00
Silver:	\$ 250.00
Bronze:	\$ 100.00
Copper:	\$ 50.00

Be part of an incredible community giving back to those in need. We want to thank you in advance for your generous contribution. I hope you will also get a team together and join us at Ralph Edwards Park to walk. Let us know if you wish an information packet to form a team.

Most Sincerely,

Steph Ross
